	absenteeism that could be regarded as passive resistance. Repeated						
	absenteeism was considered a crime against the State and was punishal						
	by fine or a jail term. The law regarding absenteeism was changed in						
	1951, In519589 there was	25X1					
100	a general amnesty granted to all prisoners who had been convicted of						
í	minor crimes, especially those convicted of absenteeism. After 1953						
	Soviet citizens were not sentenced to jail terms for reporting late						
	for work or staying away from their job.						
Popt	ar Attitude Towards the Government						
5.	about the attitude of the Soviet people towards the	25X1					
	government. the only thing that the Soviet citizen	23/1					
	could be thankful for was the fact that he was alive. There were						
	many things that the Soviet citizen did not like:						
	a. His life was entirely restricted to the Party line.						
	b. The peasant and worker class were bitter because of the low						
	standard of living.						
	c. Even if there were sufficient products on the market, the ordinar	•v					
	person did not have enough money to take advantage of them because						
	of the high prices.						
	d. There was always a terrific shortage of living quarters	¬ .					
	It was common to have an entire family living						
	in one room and share a kitchen with another.	25X1					
	I ATTURNATE TAXABLE SALARIES TARREST TO A SALARIES AND AND A SALARIES AND A SALAR	•					
	Communist Party system, this was sheer mockery.						
	f. People needed permission to change their place of employment.						
	g. Nobody could have his own business.						
150	h. Soviet citizens were restricted in land purchases to 700 sq. m.						
53	1. No one could openly criticize the government.						
	j. Taxes were high, especially among kolkhoz workers. Consequently,						
	many of the peasants did everything possible to leave the kolkhos	:y					
	and take up employment in the factories. This was especially tr	1e					
* *	of the village youth and demobilized sons of kolkhoz workers.						
	There was much propaganda to stem the march from the farms to the	•					
	cities.	1					
	k. No one dared express his true views outside of his family and						
	trusted friends. 1t was impossi	le					
	to know the true attitude of the people. They could only accept	·					
	conditions as they were and remain silent.
